### Sport

- ◆ Engayne boys took part in the Borough cricket competition. They progressed well through the group stages and won their group! The final was a nail-biting affair against a very strong Upminster Juniors side. Engayne showed real character to fight back and win and now progress to the County Finals!

- ◆ Congratulations to our football B team who won 1-0 against Elm Park. The boys played exceptionally well.

- ◆ Engayne Girls' Cricket team won the local Havering KWIK Cricket tournament. With superior bowling and a mixture of power and subtle batting, the girls cruised through group play with no problems scoring in excess of 300 runs each time to make the semi finals. The girls were thrilled with the result and they look forward to the county finals in June.

- ◆ Congratulations to Cook for winning the KS1 Sports Day.
- ◆ Congratulations to Rayleigh for winning the KS2 Sports Day.

### Curriculum

- ♦ Miss Jupp and Mrs Clements-Smith will be taking our School Council to paint our chosen design onto the walls of two pedestrian tunnels, connecting walk way between Howard Road and Deyncourt Gardens. This Art project is part of Havering Council and London Underground. We hope that our design will show others in the community that anyone can make a difference, no matter what age they are. Engayne's design will be featured in the tunnel with 11 other schools in Havering-when the project is completed in July make sure you go and see it!

What an achievement! Well done to Maisie in 3B for your Upminster Library design.

- ♦ Well done to Avon and 3D who were the winners of the Big Pedal challenge..
- ♦ On Tuesday 17th May we hosted our annual summer concert. Over 100 children performed, with a variety of instruments and styles of music. A great celebration of the music learnt at Engayne and the progress our learners are making.
