Livingstone: 2725

Raleigh: 2933

KS2

Drake: 8730

Cook: 7917

Livingstone: 7906

Raleigh: 8174

NETBALL

This has been a terrific season for our netball squad.

The team have played in some truly awful weather including torrential rain!

We drew our first match and were then entered into the borough cup.

Our first round game against Harrow Lodge was forfeited as they could not play us. So we progressed to the next round.

Our opponents were Ardleigh Green who we beat with a score of 9-2.

This win propelled us into the quarter finals where we beat St Joseph's 12-5.

We await details of our semi-final opponents and when our match is to be played.

The team have trained hard and performed really well in matches.

These performances are never just a one person effort and we have been so very fortunate to have some expert coaching and input from Mrs Francis and Mrs Allaway when they have been available.

The season has been great fun and Mrs Cox, Mr Hurley Mrs Francis, Mrs Allaway and I are very proud of the teams. They have played with great spirit and also a really super sporting attitude which has been praised by every team we have played so far.

Onwards to the semi finals ...GO ENGAYNE! Mrs Wyman

HEALTHY WEEK

Healthy Week was great fun. All the children participated in a range of activities, challenges and competitions throughout the week based on the sport and healthy living theme.

The KS1 smoothie competition generated a lot of entries. The finalists were Henry (Avon) Indira (1B) and Zac (2VC)

After a rigorous judging process by Mr Luxton, Mrs Cox and Mr Clare a winner was agreed upon.

The eventual winner was Zac with his apple, pineapple, strawberry, mango and orange juice smoothie

MUSIC

Engayne's musicians showed off their talents on Tuesday 22nd May. A wide array of instruments were played by children from both key stages. We also had a first chance to see Engayne's folk groups playing some of their own compositions. It was also fantastic to see nearly all of the peripatetic teachers attend to support their students. What an amazing evening of musical entertainment! Mr Clare

The children have been wonderful this half term and have enjoyed many events across the school including year 1 'diamond cafe', visits out, the music concert, cycling lessons and of course the sports mornings and healthy week. A huge well done to our year 6 and 2 children who have completed their SATs. After a busy time at school I hope you all have a lovely half term week whatever you have planned. We return to school on Monday 4th June.

Regards Mrs Sankey

Reception

Reception

This term we have been learning all about growing. We have had caterpillars in class and are waiting for them to turn into butterflies. We also enjoyed a HUNGRY caterpillar day at Thornhill.

by Keira

Year 1

We have been very busy in year 1 this half term.

On 2nd May we held our annual year 1 Cafe. We made lots of yummy cakes and served these to our parents.

We also had a trip to South Wood on 10th May.

We made a natural sculpture and looked at a badger's habitat

by Lexi 1Bc

Year 2

This term year 2 have video conferenced with an Arctic explorer called Jamie. We learnt that the coldest it can get is -56°C and the warmest is 10°C . We asked if he has had a snowball fight. He said "no but we know he has really. The Arctic was snowy and beautiful."

Toby 2vc

Year 3

This half term, we enjoyed pretending that we were Romans and Celts for our class assembly.

This week, we have had fun trying to be healthy heroes.

3M

Year 4

This term we have been learning about Ancient Egypt. We have learnt about how they built the pyramids and the farming cycle. In Art we have been making Canopic jars which we have enjoyed. We have also had healthy week where we have been lucky to taste smoothies, we taught reception different activities to stay fit and we have learnt lots about how to stay healthy.

By Sonny & Katie 4S

Year 5

In year 5 we have been doing a lot of art - we've been practicing the style of Georgia O'Keefe who was most famous for her paintings of zoomed-in flowers. We sketched our own flowers and used chalk and oil pastels to make colourful copies. We used watercolours to make a Georgia O'Keefe style landscape and at the moment we are sewing zoomed-in flowers onto pin cushions.

By Charlotte 5A

Year 6

In English we have focused on the Shakespearean play, Macbeth. Year 6 gathered under the new canopy and read the abridged version and we worked together, in groups, to re-create the famous scene with the three witches. The performances were brilliant and entertaining!
