SPORT

Cross country

Engayne show they are tough on mud!

Freddie R led the charge for Engayne as the school's cross country team took part in the Havering Primary School's Cross country competition on Thursday 8th November. In the year 5&6 boys competition the boys team finished a solid 4th place, narrowly being edged out of third position by only 4 points! The scoring team of Freddie R, James S, Lochand D and Steven T, with Luke S and Callum A-K as support, gave a strong performance and highlighted the strength and depth of the all the teams.

The year 3&4 boys block finished the strongest by far, with their whole scoring team finishing in the top 20 out of the near 200 starters. Riley S led the charge with a 5th place finish, followed closely by Samuel S in 11th. He too was being chased hard by Maxi W in 16th, with Lewis I completed the scoring quartet finish second in a splendid team effort. They were supported by Nicky M and Daniel E – who's runs made sure that the team had secured a top 3 finish comfortably.

Mr Twist

Netball

The children competed at Noak Hill as part of the Havering Netball Tournament. They all worked well as a team and, despite the fact they had never seen the area before, tried their best to use the tactics we have been practising in netball training. We drew the first match 1-1 and won the second match 6-1. Unfortunately, the team did not get through to the next round because the umpire explained the winning team would be decided on goal difference and we were 1 goal behind the winning team.

The squad showed brilliant sportsmanship and are now looking forward to playing other matches as friendly matches to continue improving their skills. Mrs Cox

IIP REWARDS

The Investors In Pupils Awards have been very successful in terms of encouraging the children to attend school, keep their classrooms tidy and also work hard for our mid day assistants.

Winners of the attendance award for AUTUMN are 1BC (98.39%) and 4RB (98.26%) who enjoyed an outdoor learning session with Mrs Richards. Year 1 (97.74%) and Year 4 (97.66%) have won the year group reward of a disco.

Avon and 6P have won the Mid Day assistant award this term. Both classes enjoyed an outdoor learning session with Mrs Richards.

Tidiest classroom award went to 1B and 5R and Miss Birdsey provided an additional swim session for both classes. Overall attendance for the school this term has been 97.20% which is outstanding!

Raleigh has the highest attendance this term at 97.39% and they too attended the reward disco.

100% certificates will be awarded in January for the Autumn term.

The children have had a fun few days with some lovely Christmas activities. Its been a lovely term with some fantastic events and lots of learning!!!

I do hope you all get some time with your families and some rest and recuperation.

On behalf of all the staff and governors we wish you all a very Merry Christmas and a Happy 2019.

The children are due back on Monday 7th January 2019. Kind regards Mrs Sankey

Reception

In reception we have enjoyed learning about our different celebrations. We walked to the postbox to post invitations. We also celebrated our class bears birthday.

By Lucy Trent

Year 1

Our Christmas assembly went really well. We had lots of fun singing to our parents.

In year 1 we made angels for our Christmas enterprise. We raised nearly 160!

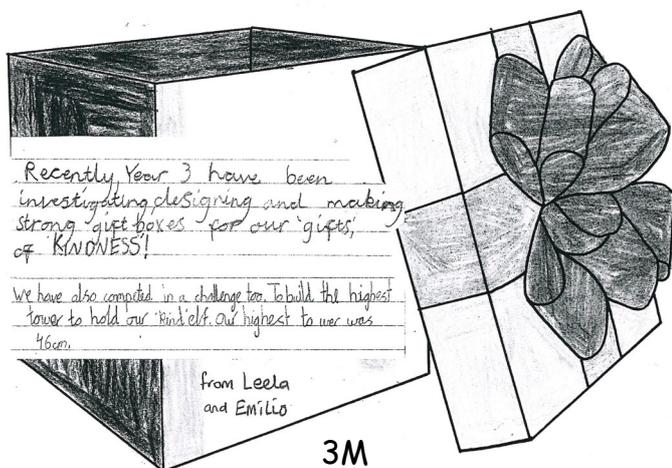

By Sofia & Millie 1B

Year 2

In year 2 we learnt about Neil Armstrong and we got to go in the space dome. I felt like we were in space. We have made Santa signs and snowmen for the fair. We raised lots of money. We had also written letters to Santa. Year 2 are busy planning for our concert.

Ruby 2C

Year 3

Recently Year 3 have been investigating designing and making strong gift boxes for our gifts of KINDNESS!

We have also competed in a challenge too. To build the highest tower to hold our kind gift. Our highest tower was 46cm.

from Leela and Emilio

3M

Year 4

This half term we have been learning about Anglo Saxons. It was interesting! We went to Kent life and there were different animals. We tried to make wool and we explored Kent life.

By Eleanor 4C

I made a pop up book for the Iron Man story. I stuck an Iron Man figure on the card and made a slip in it and made a background of the Iron Man story.

This half term we went on a computer to go on a search website. We made a plan on it. We made different notes in the plan.

By James 4C

Year 5

This half term year 5 took part in lots of enjoyable activities. We had a visit from the Space Dome. The Space dome came in and taught us all about the solar system. Once we stepped inside, we could see stars and planets. It was such a surreal experience. It made us feel like we were floating in space! It was really fun and exciting.

We also created a sweet jar for our enterprise, which involved decorating a jar and filling it with sweets. Some of us made snowmen and some made reindeers. We thought about pricing and profits that we would make from the sale of our jars.

We have also produced some wonderful writing this half term, we particular enjoyed our Viking Sagas. We had to tell a story of our Viking warrior and his journey to Lindisfarne to raid for riches. It was really exciting to write our own version of a real life event and to add our own twists and turns. By Chloe and Siranjeev 5A

Year 6

During Autumn Term 2, year 6 have been very busy. For our Christmas Enterprise we have created Christmas puns and delicious melting snowman biscuits. On the 22nd of November, year 6 visited Duxford War Museum to find out more about World War 2, as it is our history topic. It was a fantastic day! We have also been making electronic in D.I and have been working on it for over a period of weeks. On Saturday the 24th of November Engayne had it's Christmas Fair. There were games and raffles. On the day, the year 6 teachers had ingredients to make a melting snowman biscuit. The visitors to the fair had the opportunity to make their own.
