

1. CHILDNET RESOURCES AND WEBSITES

Childnet: Childnet International is a non-profit organisation working in partnership with others around the world to help make the internet a great and safe place for children. The Childnet website hosts all the online resources detailed below, as well as a number of recommended resources for young people, parents, carers and teachers. www.childnet.com

Childnet resources: On our website you can access resources on a range of topics, including our previously branded Know IT All for Parents interactive guide. The [Parents and Carers](#) area also contains key advice, information on reporting and detailed information on a range of e-safety topics in the [Hot topics](#) section. www.childnet.com/parents-and-carers

UK Safer Internet Centre: Childnet is part of the European Commission appointed UK Safer Internet Centre. Together with partners the [Internet Watch Foundation](#) and the [South West Grid for Learning](#), we raise awareness about internet safety, develop information materials and resources and organise high profile events such as Safer Internet Day. You can access a range of resources from across the UK, Europe and wider afield at www.saferinternet.org.uk/parents.

Digizen: A website providing information and advice to encourage responsible digital citizenship. It shares advice and guidance on preventing and responding to cyberbullying, including the film 'Let's Fight It Together' and specific information on social networking. www.digizen.org

KidSMART: This award winning Childnet website is for children, teachers, parents and carers and offers fun games and activities for children alongside practical internet safety advice. Don't forget to check out our Early Surfers' Zone for 3-7 year olds where you can read the online stories 'The Adventures of Smartie the Penguin' and 'Digiduck's Big Decision.' www.kidsmart.org.uk

2. PARENTAL CONTROLS & FILTERING

A Parents' Guide to Technology: The UK Safer Internet Centre has created this guide to answer commonly asked questions and introduce some of the most popular devices used by children, highlighting the safety tools available and empowering parents with the knowledge they need to support their children to use these technologies safely and responsibly. www.saferinternet.org.uk/parent-tech

Internet Parental Controls: The four big internet providers - BT, Sky, Talk Talk and Virgin Media - provide their customers with free parental controls that can be activated at any time. Video tutorials on how to download and use these controls are available on the UK Safer Internet Centre website. www.saferinternet.org.uk/parental-controls

Google Safety Centre: Provides information and step by step guides to using the safety tools on various Google services such as YouTube, Google+, Google Search, Chrome and Android. www.google.co.uk/safetycenter/tools

Microsoft Family Safety Centre: Provides information and advice for using the internet safely as well as guides to the safety settings available on Microsoft products such as Windows, Xbox and Windows Phone. www.microsoft.com/security/family-safety

3. ONLINE GAMING

Online Gaming: Childnet's guide contains helpful advice and information on supporting children and young people playing games online. www.childnet.com/online-gaming

Ask About Games: Information and advice for parents and gamers about the PEGI age rating system for video games and how to play games responsibly. www.askaboutgames.com

4. MOBILE PHONES

PhoneBrain: A site created by PhonepayPlus to educate young people and parents about phone-paid services such as calls and texts to premium rate numbers and in-app purchases. www.phonebrain.org.uk

5. SOCIAL NETWORKING

Young People & Social Networking Sites: Aims to help parents understand the positive and creative ways young people are using social networking spaces (e.g. Facebook, Twitter and Instagram). It also points out the potential risks of using these sites and ways to minimise these risks.

www.childnet.com/sns

Facebook Family Safety Centre: www.facebook.com/safety

Twitter Help Centre: support.twitter.com

Instagram Help Centre: help.instagram.com

Facebook Checklist: A free guide produced by the UK Safer Internet Centre that contains detailed instructions and information on privacy and account settings on Facebook.

www.childnet.com/facebook-check

Ask.fm Online Safety Guidance: A free guide produced by the UK Safer Internet Centre that provides information on turning off anonymous posting and report inappropriate content.

www.saferinternet.org.uk/ufiles/AskFM.pdf

6. FILE SHARING & DOWNLOADING

Music, Film, TV and the Internet: Childnet has developed this guide with the music, film and television industries to inform parents, teachers and young people about how to stay safe and legal when enjoying entertainment on the internet or via a mobile device. www.childnet.com/downloading

The Content Map: A UK based website created by industry representatives to help teachers, parents and other consumers know which sites are legal for streaming and downloading films, tv, ebooks, music, games and sports broadcasts. www.thecontentmap.com

7. COMPUTER PROTECTION & SECURITY

Get Safe Online: A government website which focuses on online security and protection issues. It contains advice about protecting computers and devices, online shopping and banking as well as how to protect children online. www.getsafeonline.org

8. WHERE TO REPORT

Need help? Information about what to do if a child comes to you for help and advice about how to report online concerns such as cyberbullying, inappropriate content or illegal behaviour.

www.childnet.com/parents-help

Child Exploitation and Online Protection (CEOP): A police agency tackling child abuse on the internet. This website includes a unique facility that enables parents and young people to make reports of actual or attempted abuse online. www.ceop.police.uk

CEOP's **Think U Know** website contains information for children and parents, as well as a link for children to report abuse online. www.thinkuknow.co.uk

Internet Watch Foundation: Part of the UK Safer Internet Centre, the IWF is the UK's hotline for reporting illegal content found on the internet. It deals specifically with child abuse and criminally obscene images hosted in the UK and internationally.

www.iwf.org.uk

True Vision: Online content which incites hatred on the grounds of race, religion and sexual orientation can be reported to True Vision; a UK website set up to tackle all forms of hate crime, including those on the grounds of disability and transgender identity.

www.report-it.org.uk

ParentPort: A website run by the UK's media regulators, allowing you to report content unsuitable for children found in a programme, advert, film, video game, newspaper/magazine or other forms of media.
