LETTER FROM THE SCHOOL COUNCIL CHILDREN

Dear Parents/Carers,

As a school council we have been tackling the issue of litter. We are trying to make a difference to our local community and the wider community. Our first idea is to cut the amount of waste with the snacks at break time. We would like to ask that the children only bring in fruit, vegetables or crackers for snacks from now on. Lots of children have started bringing their snacks in reusable plastic pots with some fruit and vegetables they have chopped at home. Here are some of our ideas:

- cucumber
- tomatoes
- berries
- a whole apple/banana/orange etc
- peppers
- raisins/crackers (you can buy big bags and children can bring a handful to school in a pot instead of individual packs that create more litter)

The school councillors will be coming around to the classes to check how many points the classes have earned for bringing in snacks without wrappers.

Here are things that won't be allowed and won't earn points for their class:

- snack bars/cereal bars
- cakes
- chocolate
- biscuits

We think it will also help us to be healthy by eating less sugar and we think we will concentrate in our lessons better if we eat a good snack at break time.

Thank you for taking the time to read our letter. We look forward to seeing the new snacks after Easter!

If you have any questions, please write a note addressed to 'The School Council Team' and we will get back to you as soon as we can.

Yours sincerely,

Engayne's Amazing School Council Team! ☺
