Dear Parents & Carers,

As we start a new term and welcome many new parents to the school can I please remind everyone that the small car park to the side of the KS1 entrance in Severn Drive is the private property of Upminster Baptist Church.

Please do not use this car park at any time of day, including early morning for breakfast club drop off and after school for Abacus pick up. Crossing the pathway at any time puts our pupils and the church pre-school & club children at risk.

Sadly, one of the church staff has already been the recipient of verbal abuse when challenging a parent and the Autumn term has only just begun.

Please put the safety of our pupils and those attending church activities before your convenience.

Yours sincerely

Mr D Rickett.

SBM.
