

London Borough of Havering  
**ENGAYNE PRIMARY SCHOOL**

Mrs S Sankey: Headteacher  
01708 223492

Dear Parents/Carers,

Our school council would like to thank you for reducing our litter problem by helping send in snacks in reusable plastic pots and not a snack that comes in a wrapper. We have noticed these things:

- Litter pickers are spending less time picking up litter and can spend more time playing
- The school is looking lovely
- The local area is looking really tidy
- The bins are not as full so we are making less waste

However, we think we can reduce even more litter because our litter pickers are still having to pick up some litter each day so please join in our litter challenge and encourage your children to bring in their recyclable pot to take fruit or veg in and not snacks in wrappers.

If you are not sure of what snacks to send in we have some ideas for you:

- a banana/apple/orange/pear etc
- chopped pineapple
- crackers
- breadsticks
- cucumber
- berries
- sliced melon
- pomegranate seeds
- chopped carrot
- dried fruit

If someone brings in a snack that isn't the right one, our teachers say to save it for after school.

Thank you again for reducing our problem with litter and the bins are looking a lot better. If you have any questions, please ask the amazing school council team. Any letters can be sent in to school addressed to the school council and we will reply to you as soon as we can.

Yours sincerely,

The Amazing School Council Team 2019/2020!
