

Primary School Sport Funding April 2020 1 term of funding

We are NOT expecting to get any more funding from the government this financial year

Sports premium money: £ 8908

Money spent on	Cost	Outcome/impact
Havering Sports Collective	£3500	Play-leader, School Games Crew and other leadership training is provided through this for year 3, 4, 5 and 6 children. CPD opportunities for staff. Subject leader meetings to update and inform and look at best practice. Subscription to the '5-a-day' exercise programme is paid for and this is well used by staff to provide additional exercise opportunities for children. With this subscription we will also ask for healthy day sessions to promote healthy living through balanced diets. Provides a range of inter school competitions in different sports. Finally, it provides support in running intra school sporting events.
KS1 playground development	£5408	Continuing to improve an 'active play area' for KS1 will promote further interest and engagement in 'active playing'. In turn, this will encourage more active lunch times and develop fitness, skills and strength in our pupils.
