

# Welcome to Year 6

# **In the morning...**

**Registration is at 8.25am. Children will walk straight to their class and wash their hands before starting any tasks. They'll have quick maths activities to complete, during morning registration.**

# **Water and snacks...**

**Important – please ensure that children bring a water bottle to class because we no longer have access to the shared water fountains at this time. Water bottles should have a water tight lid, not a screw top lid to avoid spillages.**

**As part of our Healthy Schools commitment, we'd like children to bring in only fruit or vegetables at break. Currently, there is no tuck shop at play time to buy any healthy snacks.**

# **Lunch arrangements**

**Children still have a choice of packed lunch or a cold dinner from the school canteen.**

**Children will keep their packed lunch in their lockers until lunch time, when they eat in class.**

# Reading

**Currently, children can't bring a book from home but they can choose books to read at school from the class library. However, these books must remain at school.**

**Children should read at home at least three times a week including a read from Bugclub.**

**We would like to see reading diaries every Friday in school to reward children who are completing their reads at home.**

# **Homework**

**We recommend children spend approximately two hours completing their homework, per week.**

**Weekly activities will be set on the year 6 page of the school website.**

**These activities will include:**

**Maths - My Maths, TTrackstars and Numbots activities.**

**Reading - we expect three reads at home each week, of which at least one should be a Bugclub read (including comprehension questions related to it).**

**Spellings - they will also be given spellings on a regular basis, to learn at home.**

# **And finally...**

**Contacting us – the best way to contact us is via the year 6 contact email. Alternatively, a written message can be sent in via the reading diary.**

## **Birthday treats**

**Sweets can be brought in to celebrate a birthday, but please ensure they are individually wrapped.**
