**Friday, March 5<sup>th</sup>, 2021**  
**We're back!**

Dear Y5 pupils, parents and carers,

We'll all be back in school on Monday, March 8<sup>th</sup>. We'll be talking, playing, laughing and learning with other people, and we cannot wait. We'd like to congratulate all the parents who've managed to teach their children for the last eight weeks while at the same time working at their own jobs. We've been doing this ourselves, so we know how hard it's been.

Remember that you'll need to bring these things with you:

- **PE kit, including something warm to wear**
- **swimming kit**
- **some clothes suitable for learning outside – perhaps an old pair of trousers and a jumper, and a pair of trainers or shoes that you don't mind getting grubby. We think it's going to be a little chilly, but we'd like to get outside all the same.**

If you made a history poster at home, please remember to bring it in and show it to your teacher.

This week, we'd like to give a few **WoWs** to some of our pupils:

**5G**

**Nicky**, for a lovely, accurate pie chart based on census data

**Jovita**, for a superb diary entry written as Stanley Yelnats from 'Holes'

**5R**

**Devan**, who wrote a great diary based on the character of Stanley Yelnats from the story Holes. It had brilliant personality and used a variety of punctuation. Well done.

**Abigail**, who has continuously worked hard throughout lockdown and has impressed me with her determination and perseverance to complete all of her work to the best standard. You are a superstar!

**5T**

**Jake, Kye and Blake**, who sent three truly outstanding pieces of writing this week.

Yours,

The Y5 team
