Mrs S Sankey: Headteacher  
01708 223492

Tuesday 14<sup>th</sup> September 2021

Dear Parents and Carers,

The children have settled back into school extremely well and they look very smart in their new uniforms.

We were all hoping for some normality this year but unfortunately, Engayne has had a number of Covid19 cases already, especially in the older year groups.

We have taken the difficult decision to move to virtual only 'meet the teacher' appointments in October and to continue with staff only on site within buildings.

This decision has been taken in order to prioritise the health and safety of staff and you as parents/ carers.

Currently we do have staff who are isolating as well. I am following all advice from Public Health England and we are doing all we can within our policies and risk assessments. We will review again at the end of this term.

I know this is disappointing for you all as it is for us. A separate letter will be sent regarding how to book the appointments for the 'meet the teacher'.

Yours sincerely

  
Mrs S Sankey
