Dear Parents/Carers,

**YEAR 4 SALIVA IN DIGESTION**

As part of our programme for Science, the children in Year 4 will be sampling bread as a means to establish the effects saliva has on food in the digestive system this half term.

With this in mind, we would be grateful if you could return the reply slip below if you:

**1. DO NOT** wish for your child to taste bread

**OR**

**2.** To indicate any dietary and cultural requirements or any allergies that your child may have that we should take into consideration before the lessons.

Thank you.

Yours sincerely,

Miss Brennan, Miss Thomas, Miss Welton and Miss White

**Please return this slip by Friday 24<sup>th</sup> September 2021.**
