

Welcome to year 5

Spelling and homework will be given on a two-week cycle starting from the week commencing 6th September. There will be MyMaths set and information about the topic we will be learning about if children want to do some research. This will be given out on a Friday. Spellings will be taught in blocks and will be revisited throughout the term.

Children will be given school diaries. Please record each time you hear your child read (three times a week ideally) by signing the diary. Children are expected to have their diary with them every day and these will be checked on a Friday.

Swimming day is Wednesday week commencing the 6th September. Please ensure your child has their correct kit in on this day.

PE is on Friday (again commencing 6th September). Children will be learning netball skills outside so please ensure they have adequate clothing.

Snacks should be provided in a Tupperware-style pot and should be a healthy snack.

Children can bring a small pencil case to school (to fit inside their tray) if they wish. However, this is not necessary as all equipment will be provided.

Kind regards

The Year 5 team
