ENGAYNE PRIMARY SCHOOL
Mrs S Sankey: Headteacher

Monday 13th September 2021

Dear Parents and Carers of year 6 children,

Residential letter no 3.

I have reviewed the decision not to go ahead with a residential for the current year 6 children. I have sent my previous letter as well, as the same issues are still there.

Thank you for the offers of help and I have consulted with the local authority about parents attending and running a residential. Unfortunately, this cannot be supported due to safeguarding concerns and I would not be able to authorise any absences.

Covid19 has not gone away and as you are aware we have many cases with 2 classes in year six. I already have staff isolating as well.

We will go ahead with the sleepover. This can be managed with school risk assessments and hopefully staff will remain healthy to attend.

Mr Manifold will be sending a separate letter. The sleepover is not compulsory.

We currently have no visits booked anywhere and even to attend a local football tournament is proving a challenge for schools. We have to adhere to many different policies and procedures through the local authority.

Yours sincerely

Mrs S Sankey
