Star Writer – Toba A - for the way in which he changed his attitude towards his plan and developed a really brilliant idea which saw two characters travel back to WWII. The trigger was that the two pieces of an artefact had to be joined together which then initiated the time travel.

Leela P - for a well thought out plan following the instructions I had given in class. I used one of Leela's examples to share with the class as I particularly liked how she had thought about the way in which her character found their WWII artefact (kicking a football over a fence).

Star writer. Dolcie. M For the excellent use of description she used whilst writing the diary of an evacuee. Her work showed the emotions that a child may have felt and was very interesting to read. Great work, Dolcie.
