Autumn 2 2021 Second Half Term

HOUSEPOINTS

The winning house for Autumn 2 is:

With 1446 house points

Children from Aqua house can wear non-uniform on Wednesday 5th January 2022

SPORT

The netball club sent a team of 10 players to represent the school in the borough tournament. The children played 2 games. They won one and drew the other. They were a credit to the school and were complimented on their sporting attitude. We are looking forward to progressing to the knock out phase of the competition. Fingers crossed for a home draw! Mrs Wyman

This term the whole school joined in with the London Mini Marathon. Every child ran, walked or jogged 2.6 miles between the 27th September and the 22nd October. As a reward for all of their hard work the children were sent badges from the Mini London Marathon organisers which they were very pleased with. We were very proud of how enthusiastic and committed the children were to finishing the 2.6 miles, whether they ran for 5 minutes each day or did longer running sessions. Well done to all of the children! Miss Thomas, PE Leader

POPPY APPEAL

Thank you to everyone who sent in money for a Poppy. You

raised a total of £238.39

SCHOOL COUNCIL

At the beginning of November, we found out that we had been awarded the Picture News Impact award. This recognised all the excellent work that the school had completed throughout the lockdown period in supporting the local community. Miss Monaghan is incredibly proud of her school council who helped. Here is a picture of some of the councillors from last year. We hope to continue this in the future.

Its been quite a term with managing Covid19 and juggling child and school staff absence. But we have made it!

The children, as ever, have been showing us all our values of responsibility, respect, enjoyment, belonging and perseverance.

A huge thank you to all families who have worked with us this term. On behalf of all the Engayne staff, we wish you all a happy and healthy Christmas and New Year. Lets hope 2022 will be a better year for us all.

Regards Mrs Sankey

Reception

I liked learning about
different celebrations

celebrations
fireworks
Grayson
Christmas
DIWau

Year 1

In year 1 we have
been learning about
our world and how to
group and make. We have
also worked really hard
on our Christmas
performance. It was so fun!

By Archie 1J

Year 2

This half term we have been learning about Neil Armstrong. He was the first man to walk on the moon. We know that he went on the moon with Buzz Aldrin but Michael stayed in the rocket. It was fun learning about Neil. We read books to help us learn about astronauts. My favourite part was writing a report about the man on the moon. We also worked very hard to learn songs for our Christmas sing along and we really liked having our grownups coming into the hall to watch us sing. Thank you for watching our Christmas songs. We have been working hard to get our 30 reads too by reading lots at home! We hope you have a very Merry Christmas and make sure you don't touch an elf. It's very important.

Bodhi and Fela 2B

Year 3

We have enjoyed this term.
Highlights include building a tower out
of paper and cardboard. We loved
playing basketball during PE with
Mr Potter.
We really liked the searching about
Stonehenge and The Stone Age. We also
made pictures of caves using
charcoal.

By Maxwell and Frankie

3M

Year 4

This half term, year four have had fun learning
about sound in our science lessons. We made Kazoos
and learnt that high pitch sound vibrate like this:
~~~~~. Low pitch sounds vibrate like this:  
~~~~~.

In English, we watched the Iron man movie, read
the Iron man book and even made a pop up book in
our OT lessons. Writing descriptions about 'the arrival', which
is a wordless picture book, was very interesting. We have been
so excited about singing Jingles Bells with a French twist!

Chloe and Carter
LW

Year 5

History - The Vikings!

In this term we learnt about the Vikings. In these lessons we
looked at a range of different things such as how they
travelled; why the Vikings chose to invade Britain and the Viking
justice system.

An interesting fact is the Vikings were not as vicious as the
Anglo-Saxons.

RE - Interfaith Week!

During Interfaith Week, we looked at a range of different religions
they are: Christianity, Buddhism, Judaism, Hinduism, Islam
and last of all Sikhism. From this experience, our school
learnt how to respect each other and identify discrimination.

Christmas Letters!

Finally, we wrote letters to year one pretending to be Santa
Claus. Year one wrote wonderful letters to us and in this
exciting lesson, we created imaginative responses to the
year one's letters. You would not be able to guess the
phenomenal questions they asked, this was a fantastic
experience. We had a great time!

Georgie 5B

Year 6

This term 6P have been doing this:

We used one digit multiplication cards, grabbed some chalks
and went outside the KS2 hall. We had fun doing
maths on the floor. Our group got up to 63 trillion!

On No Pens Wednesday our favourite activity was
Now Press Play. We put on our headphones and went
out into the playground to start our interactive experience.

6P's class assembly was about charity, we made posters
and performed a dance. It's on the school website.

We are making salt dough Christmas decorations to
take home this week. They are fabulous.

Nicky, Leo and Tai
