

Workers of the Week

w/c 20th June 2022

3B

WOW –Ava R is our WOW as she has shown a great enthusiasm for our learning. She tries her best in all lessons and perseveres though challenges. 😊

Star Writer –Stefan S For writing an interesting newspaper report. He used details effectively and organised his ideas well, which made his work exciting to read. Well done!

3C

WOW - Zack D – for always showing such a positive attitude not just in the classroom, but in extra-curricular activities and in the playground. He always has such a wonderful smile, and is a true role model to his peers. Well done for being a star! 😊

Star writer – Jake F – for achieving his pen license this week, and writing a great newspaper report. He was able to write about the 5 W's and then try really hard to include inverted commas in the correct place. Keep it up! 😊

3M

WOW – Bobby S for trying so hard with his reading. He has persevered, and this shows in his understanding of texts.

Star writer – Elizabeth C for fabulous ideas for her newspaper report and for her super headline.

4BT

WOW – Mair L – Mair is this week's WOW for consistently working hard and persevering. She is also always kind to her peers and polite to others. Well done Mair!

Star Writer – Charlie C – Charlie is this week's star writer for writing a great play script with a partner. He created a story with non-stereotypical characters and tried hard to use interesting dialogue and stage directions. Well done Charlie!

4W

WOW – Bethany W – for showing such enthusiasm in every subject. Bethany always perseveres and produces work to a high standard. Superstar! 😊

Star Writer – Charlie R – for his excellent play script. He used stage directions and varied his dialogue to keep the play exciting. He also worked well in a group to recreate the play script using the Puppet Pals app.

4WH

WOW – Victoria R – for showing great perseverance in maths this week when we were learning how to interpret graphs. Victoria tried her best to answer all questions and even gave the challenges a go. Well done Victoria 😊

Star Writer – Willow B and Willow O – for working so well together and producing a brilliant play script. They included stage directions and tried their best to use interesting dialogue. Well done both Willows 😊

Workers of the Week

w/c 20th June 2022

5B

WOW – Sienna W – Well done for always accepting a challenge and consistently showcasing 100% effort. Keep up the great attitude! 😊

Star Writer – Charlie Au – Well done for writing a brilliant letter explaining the importance of charity. It was well structured and you linked it to Zakat effectively. Keep up that fantastic work! 😊

5G

WOW – Alfie M - for having a great attitude to learning. Alfie always challenges himself.

Star Writer – Izabela C – for a super start to her own Just So Story.

5W

WOW – Ali A - for answering questions in maths and trying his best. Keep up the good work Ali!

Star Writer – Zain H - For a great start to his own Just So Story. Zain thought carefully about his introduction and used lots of description. Well done Zain!

6A

WOW – Ted C and Shahmeer A for always showing a fantastic attitude to learning and successfully ignoring distractions around them during lesson time.

Star Writer – Jamie C and Tamlyn F for putting in lots of effort into their non-chronological reports based on the heart

6N

WOW – Dimitris M & Thomas A enjoyed the maths and quickly solved the checkout darts activity.

Star Writer – Isaque T-A - tried hard with his planning and presented his non-chronological report neatly.

Abigail C, Emily W, Chloe S, Victoria Z and Zak E all produced well-presented reports. Finally, **Henry B** thought carefully about the diagrams he used & included an extra picture he had remembered from the video.

6P

WOW: Isla M, Amber. W, Nicky. M and Sonny. I. For being the first pairs to work through 5 maths challenges, which provided answers to a problem they were trying to solve. They showed great teamwork and applied their skills successfully.

Star Writer: Annabella B. For her non-chronological report on the circulatory system. She used research to collect notes, which she organised into clearly labelled paragraphs. Her information was detailed and interesting to read.
