What's happening at Engayne?

**Autumn 2022 First Half Term** 

# **OPAL SANDPIT**

The giant sandpit we've been planning for months finally opened last week. It's large enough for dozens of pupils to play in at once, and we've used the soil dug from the pit to sculpt a large mound next to it. It's perfect for running up and rolling down.

It's only been possible to build the sandpit due to the generous support of the EPFA. All of the parents' contributions to their funds over the course of the year go to fund projects like this. This huge play area is one that the children will benefit from for years to come.

#### **School Captains:**

Ruby B, Grace C & Samuel J

#### **House Captains:**

Valentine O, Amelie M, Rafael JS, & Max A

with Mrs Sankev

Its been a lovely start to the academic year with some normality including school visits, meet the teacher evenings, volunteers coming into help, harvest assemblies, census day and movie night.

The children have been enthusiastic to learn new areas of the curriculum and are trying very hard with their writing and vocabulary which is a whole school target.

I hope you all have a lovely half term holiday (if you are off with the children!). Pumpkin picking and hopefully re-charging ready for the new half term. We hope many of you will also complete the EPFA's Scarecrow trail! Thank you all for your continued support and making the Engayne community so special.

Regards Mrs Sankey

### Reception

#### Year 1

# Year 2

#### Year 3

# Year 4

In year't this half term we have been learning about the digestive system, mouth to any and did some science tests to see how it digests your tood. Also we have learned all or the teeths names and about the saliva glands. We also learned the teeths meanings and why we have them. We also learned to stitch and with that skill we made analo Jaxon purses Cruming stitch and blanket stitch.) We wrote a cordeon scate so that we could create a times to be game. Our main book this half term is Varjak Pawand we have enjoyedit.

Zack &

Erik 4BT

# Year 5

This tern we have been learning about the viskings. We have found out that they care from Derrack, sweden and Normay, which are called Scandina in. Vikings unraded the Uk. Some to stead, Some to trade and Some to buy land. The Vikings travelled by long boat. The first Great Britain raid was in 789AD. We made and pointed Viking long boats. We also designed dragon most heads which were on our long boats. Longboats had wooden dragon heads to Scare the People they were attacking.
