

Reading Treasure Hunt

Celebrate reading in all its diversity. Reading involves books and so much more.

Hunt for Reading Treasures, online and in print with members of your household and wider family.

First: Gather shipmates at home or online for around 20-30 minutes.
Nominate a Captain to lead the Treasure Hunt. Everyone else will be hunting. Guess what...adults you will enjoy this too.

Then:

1. The Captain calls out the first Reading Treasure.
2. Everyone runs off to find their Treasure and returns to the group.
3. Award points for all who found the Treasure and an extra point for the first one back.
4. Take turns to show what has been found and perhaps chat about the choices and read an extract.
5. Move to the next Treasure and carry on... (You can decide which and how many Treasures to find).
6. Have fun finding as many Treasures as you can. Did you realise how much there is to read at home?

Take a photo of your Reading Treasure and share with your teacher.
