November 2023

Dear parents/Carers

We're delighted to advise you that we've recently signed up to the School Swimming and Water Safety Charter, which means that we're in partnership with Swim England, the national governing body for swimming in England.

As a school we take school swimming seriously and will work together with Swim England to ensure we are delivering consistently high quality swimming and water safety lessons for your child.

We take school swimming seriously and hope that you'll join us in encouraging your child to take part and do their best during lessons.

As well as making sure your child has everything they need to participate in their school swimming sessions, for ease of reference, the kit consists of:

- Labelled Swimming hat – Engayne swimming hats are available to buy from the front office
- Labelled Swimming trunks (**Speedo type, not baggy/long shorts for safety reasons**)
- Labelled Swimming costume
- Labelled Towel
- Labelled Swimming goggles – if a goggle slip has been completed

Together we can ensure that school swimming and water safety is an enjoyable, memorable and valuable learning experience, which will result in your child gaining an essential life skill.

During their school swimming and water safety lessons your child will be working towards achieving the eight different levels this is slightly different to previous years but by the end of year six all children would have completed all 8 stages. Safe Self-Rescue and Aquatic Skills are covered in all year groups and certificate are given at the end of year 6

Regards

S Hughes
