December 2023

Dear Parents/Carers,

The children have really enjoyed their 'Wellie Wednesday' outdoor learning sessions. We would like to continue these sessions for the rest of the year. Please see dates below for the spring term. During the sessions, so far the children have made bracelets using natural resources, played simple songs using claves, made stick men and done some leaf rubbings. In the spring term we are planning for the children to learn simple map skills, gain an understanding of the changes in the natural world around them and continue to make observations of their surroundings.

It would be very useful if your child could continue to bring the following:

- **Wellington boots**/hiking boots (any waterproof footwear)
- **Plastic bag** (to keep muddy wellies in)
- **Waterproof Jacket**

We are really looking forward to continuing these sessions.
