

Dear Parents and Carers,

We have been given the opportunity for your child to take part in a Cycle Awareness Day.

Please see the table below for the date your child's class will participate.

This offers the children the opportunity to learn about safe road crossing and use of bikes and scooters around pedestrians. **All training will take place on the school playground.**

**The children will be able to use school scooters and bikes**, but if they wish to bring their own bike or scooter on their training day they are welcome to do so.

Cycle Confident, who provide the training, require **all children to wear a helmet**. We have helmets available at school but it would be helpful, if your child has their own helmet, for them to bring it to school on their training day (adjusted at the head size and chin strap fittings so that it fits their head).

Please send your child with gloves and ensure that any plaits or ponytails are tied low to allow a cycle helmet to fit correctly.

Monday 12th	Tuesday 13th	Wednesday 14th	Thursday 15th
1P	1C group 2	2J group 1	2M
1C group 1	1W	2Mi	2J group 2

1C and 2J - the class teachers will let you know which group your child is in.

**ALL children will participate in the training.** Cycle Confident requires permission slips, so please return the attached slip as soon as possible, and by **Monday 5<sup>th</sup> February** at the latest. **You must sign the permission slip, as Cycle Confident will not allow children to participate if their form is not completed.**

Yours sincerely

Miss Brennan (Travel Plan Lead)
