Dear Parents/Carers

22nd January 2024

CELTIC DAY

As part of our curriculum, Year 3 has been learning about Stone Age and Celtic life in Britain. On **Friday 9th February** we are arranging an exciting Celtic Experience for the children.

There will be several activities including - Celtic *FOREST SCHOOL EXPERIENCE*, Hapa Zoming, Celtic cooking, drama and craft sessions inside and outside the classroom. To cover the cost of art supplies and food, we are asking for a donation of £2 per child. Please bring in the **£2 in cash by Friday 26th January.**

Your child needs to arrive in warm clothing suitable for some outdoor learning. We are spending the day as Celts so the children will need a shawl or scarf to dress up.

- **Wellington boots** (*waterproof footwear*)
- *Old joggers/trousers (no jeans)*
- **Long sleeved top**
- *Thick jumpers/sweaters*
- *Thermals would be beneficial when it gets very cold – but not a necessity*
- *Thick socks*
- *Hats and gloves (weather dependent)*
- *No football kits*
- *Warm coat*

Lunch: _dinners or packed lunch as normal

The children will have opportunities to taste Celtic food so any dietary requirements please let your class teacher know.

The children will be working towards this Celtic experience in art and design as well as in our history lessons.

Regards
Year 3 teachers
