Description of task	In Science we have started out new topic of Light. Can you find some objects at home that are:  <ul style="list-style-type: none"><li>• Opaque</li><li>• Translucent</li><li>• Transparent</li></ul> Make a poster or take some photographs to show us what objects you have found.  <b>We will also be using boxes for our topic. If you have any spare boxes (shoe box size or similar) please bring them in to share.</b>  Happy hunting!		Next week will be revision week in maths and we will be going over everything we have learnt so far this year. Show you adults at home the different ways in which you can solve problems in maths. You may want to use column method to work out a total or difference between two numbers. Perhaps you want to write out one of the times tables you find tricky and then show the inverse. You might even want to use partitioning or number lines – it’s up to you! Remember to bring in your best examples for our homework displays.		
Outcome			This work will be looked at/ marked/ used as part of a lesson: during year 3 maths lessons.		
Continuous development of key skills					
Spelling			Reading		Mental maths skills
What is being taught- Spelling test: Friday 19 <sup>th</sup> January			Complete at least three reads at home and record them in your diary.		Can you write all of the number bonds to 50? Remember to work systematically to make sure you don’t miss any! How quickly can you write one inverse calculation for each number bond?
