| Description of task   | In PSHE next week we are completing a lesson called ‘The Risk Robot’ where we are going to talk about some experiences that are a high, medium and low-level risk. Then we will talk about how to make the situation safer. Seeing if we can change a high-risk situation to a low-level situation.<br><br>Please have a chat over the weekend together about things the children might come across each day like: <ul style="list-style-type: none"><li>• Brushing teeth</li><li>• Making breakfast</li><li>• Chopping vegetables/fruit</li><li>• Walking to school</li><li>• Crossing a road</li><li>• OPAL playtime games</li></ul> See if the children can decide what risk levels these daily tasks are. |      |  | Next week we have our Spring maths tests. The children have been working really hard to get ready for these in class all week. Please continue to practice at home, in particular have a look at grouping and dividing. Lots of the games and activities on TTRockstars are a really good way to test yourself at home. |   |
| Outcome   | Use this knowledge and share in PSHE Lesson in class  |      |  | This work will be looked at/ marked/ used as part of a lesson: during year 3 maths lessons.   |   |
| Continuous development of key skills                                    |   |      |  |   |   |
| Spelling  |   |      | Reading  |   | Mental maths skills   |
| What is being taught-<br>Spelling test: Friday 26 <sup>th</sup> January |   |      | Complete at least three reads at home and record them in your diary. |   | Can you write out the division calculations for your 3 and 4 times tables? Get an adult to test you when you have done this. How many can you answer in a minute? |
