Easter Craft Activity Morning

Dear Parents/carers,

After such a successful Space craft morning, we would like to invite one adult per child into school to spend time completing a range of Easter craft activities.

Please go onto Squid by **Wednesday 13th March** to state if you are able to attend.

Fleet – Thursday 21st March (9:00am-11:00am)

Trent- Friday 22nd March (9:00am-11:00am)

On the day please drop your child off and wait at the KS1 gate for a member of staff to bring you into school. We understand that some of you have pre-school children to drop off and pick up. You are still welcome to come for a shorter period of time and complete some of the craft activities with your child.

Regards,

Miss R Pumfrett
Foundation Stage Leader
