

Dear reception parent and carers,

We would really appreciate some parents/ carers coming forward to help with the EPFA and school events eg trips/ hearing readers etc.

We currently only have 2 parents who have a DBS check in our current reception.

If you can give up time weekly to help in school and support the EPFA please email in to contact@engayne.co.uk

We will then give you some forms to fill in about volunteering.

If this can be done by next Friday 8th March as its taking up to 3 months to get DBS's through from the police service.

Thank you.

Regards
Mrs Sankey
