

Dear Parents/Carers,

The children have really enjoyed their 'Wellie Wednesday' outdoor learning sessions. We would like to continue these sessions for the rest of the year. Please see dates below for the summer term.

During the sessions this year, the children have made bracelets using natural resources, worked as a team to follow a simple map, created their own maps, performed poems and made stick men. The children are growing in confidence, learning to take appropriate risks and developing their communication skills.

In the summer term, we are planning for the children to continue to make observations of their surrounding, including changes in seasons and recognise some familiar trees and plants in the school grounds, through fun and creative activities.

It would be very useful if your child could bring the following:

- **Wellington boots/hiking boots** (any waterproof footwear)
- **Plastic bag** (to keep muddy wellies in)
- **Waterproof Jacket**
- **Sun hat**

We are really looking forward to continuing these sessions.

Mrs Brewis

Mrs Clements

Miss Barnes

Reception Teachers

Here are the dates your child needs to bring in their boots for **'Wellie Wednesday'** during the **Summer Term**.

Fleet

Wednesday 17th April

Wednesday 1st May

Wednesday 15th May

Trent

Wednesday 24th April

Wednesday 8th May

Wednesday 5th June
