Y1 Social Action Walk

Dear Parent/Carers,

This term the Year 1 classes have been busy planting sunflower seeds with Mrs Donovan, to coincide with our plants science topic. We have been taking care of them and we are now ready to deliver them to local residents before the end of term. We are all very excited to put a smile on some faces with some sunflower surprises!

As a result, we will be taking the children on a short walk around our local roads (Severn Drive) to deliver the plants to our neighbour's doorsteps. This walk will take place on **Tuesday 25th June 2024**.

The trip will take place during the school day and the children will be accompanied by school staff. Please ensure your child has a sun hat and sun cream is applied as usual.

We hope your child enjoys their contribution to our local neighbourhood!

Thank you for your continued support.

Mrs Whitehead, Miss Pumfrett and Miss Clark
