June 2024

Dear Parents/Carers,

We have had an amazing time during our Wellie Wednesday programme so far and have developed many practical skills, an understanding and appreciation of nature, cooperated and supported each other. To mark the end of our outdoor adventures each class will take part in a one hour session as part of an outdoor morning. As part of the activities we shall have a drink and snack around a campfire. We plan on having a plain digestive type biscuit and drink. If your child does not want the drink they can have their water bottle and school milk as usual too.

The session will be on:

**Wednesday 19<sup>th</sup> June - Fleet and Trent**

We will be learning how to stay safe around our fire circle during the session with Mrs Wyman and Mrs Donovan in small groups while the rest of the class have a “hunt” and do some art activities with the teacher and teaching assistant. All children will be closely supervised at all times as they eat their snacks.

Please complete the slip below to give permission for your child to attend the session and have a snack. **Any allergies must be detailed.**

We hope it stays dry for our session – please ensure wellington boots are still brought in!

N Wyman  
Forest School Leader and Teacher and EYFS team

---

Please delete as appropriate and return by **Monday 29<sup>th</sup> June**  
**F.A.O – CLASS TEACHER.**

My child **will/will not** be taking part in the outdoor session with campfire snack.
