Description of task	<p>Access All Arts is a nationwide week where children across the country celebrate the arts and nurture their creativity, developing skills and confidence along the way.</p> <p>Your child will be rolling their sleeves up and getting stuck into a week of arts at school. This year's theme is Connection, which means they will be reflecting on their unique bonds with friends, family, and the wider world.</p> <p>Now it's time for children to start their adventures at home by completing activities suggested on the attached sheet.</p>			<p>Next week we will be looking at ways to incorporate maths into art. Can you think of any ways in which you can use maths to make a piece of art work? It can be anything maths related and be as creative as you can!</p>	
Outcome	This work will be looked at/ marked/ used as part of a lesson: during year 3 Arts week.			This work will be looked at/ marked/ used as part of a lesson: during year 3 maths lessons.	

Continuous development of key skills

Spelling			Reading	Mental maths skills
<p>What is being taught- Spelling bee words will be tested on Friday 21st June. Please encourage your child to try their best. We are very proud of them!</p>			<p>Complete at least three reads at home and record them in your diary.</p>	<p>Please see maths sheet (attached).</p>
Yr3	Vocab	Snip		
Spelling bee words	connection language personality	Snip spelling bee words	<p>All share a love of reading evidence needs to be in by June 28th.</p>
