Tiger Tea Party

Dear Parents/Carers,

In Year One, we are reading the book 'The Tiger Who Came to Tea'. The children have absolutely loved their first few weeks in class with their new teachers and all of our classroom activities have been linked to this story.

The children will decorate some biscuits in the morning and then eat them as part of the Tiger Tea Party with you. Due to limited space, unfortunately we cannot accommodate for pre-school aged children but we would very much like one adult per child to join us if you are able to! It will also be a lovely opportunity for the children to display some of their recent work and show you their new classroom.

When: Friday 27th September at 2.30pm.

Where: Please enter via KS1 gate and the children will greet you in the hall with their class teacher.

Look out for a special invitation from your child coming home soon.

Thank you

Year One Team ☺
