Numbots is a great resource that is fun for the children and can really help them with speed and accuracy of recalling number facts. This week, we would love for you to log on to Numbots (using your child's login at the front of their yellow reading diary) and have a go on the 'challenge' section. They can work their way through some of the different challenges. Once a challenge displays a trophy next to it, this means they have passed this level!</p> <div style="text-align: center; margin-top: 20px;">  </div>
