

## Public Sector Equality Duty.

The Public Sector Equality Duty of 2010 requires all public bodies to consider all individuals when carrying out their day to day work and to eliminate discrimination, advance equality of opportunity and foster good relationships between different people when carrying out their activities.

We do all in our power at Engayne Primary School to ensure that there is equality of opportunity for everyone in our school community and that nobody is discriminated against. The following are our three objectives:

- To monitor the curriculum for diversity, equity, inclusion and belonging (DEIB) and create a new middle leadership post to support the senior leadership team.
- To improve communication with all our families who have English as an additional language.
- To work towards at least the national average for vulnerable children for attendance in school.
